

Ushers

Ushers for St. John Neumann Parish are members of the Liturgical Ministry. It is their responsibility to greet and welcome parishioners and visitors to the celebration of the Eucharist. They provide many services that contribute to order during Mass. Ushers assist with seating, taking up collection, arranging for the Presentation of the Gifts and guiding the communion lines. They also are available to assist worshippers with special needs. If you are interested in becoming an usher, please contact Don Richter at 465-4546.
