

How to set a plate for Jesus:

1. Use the containers provided in our church vestibules.
2. From your table, provide a meal for 1 person.
3. Fill in the label (type of meal) and date.
4. Freeze it until you bring it to Church.
5. Place in the freezer provided at either St. John of God Church or St. Raymond Church.

Catholic Charities in Rio Grande will distribute these single meals that will be micro-waved by those who have no kitchen facilities.

Thank You in Jesus Name.

If you don't cook, perhaps you can donate an offering for containers.
