Glory to Jesus Christ!

Where I grew up about 90 minutes north of here there were these large white mushrooms that would spring up in shady places in late August. I don't know what kind they were, but I knew that when I saw the mushrooms it meant that SCHOOL was right around the corner. It's true. Our college aged students have already begun to head back. In the next week our elementary and high school students will be boarding big yellow school buses and returning. We pray for them that they may not just grow in knowledge but also in virtue.

Labor Day and Back-to-School are a pivot point here in Lower Cape May. Many of our summer residents will be returning home. Houses will be closed up, visitors will dwindle. If you fall into those categories, please be assured of our prayers until we see you next season!

This time of the year is a great time *to go to Confession!* For many/most Catholics, I recommend sacramental confession a minimum of four times a year. Some people go monthly. Of course, if we are aware of committing a mortal sin we should receive absolution as soon as possible. Confession is a great way to take stock of our souls, to bring the last season to a close, and prepare for the next chapter. Three months from now will be the beginning of Advent, another great time to receive the sacrament of Penance. Remember, we have confessions first Saturday morning, Monday and Thursday night before Spanish Mass, Wednesday and Thursday morning before and after Mass respectively, Saturday afternoon at 2:30 and Sunday night at 6pm. Father Cesar and I are also available by appointment. At writing this, it has been 4 days since my last Confession; how long since yours?

God bless you!

-Fr. King

Going forward, there will be a limited amount of music/singing and no incense will be used at the 8am Sunday Mass at St. Raymond.

Pro Life Ministry

Freedom of Access to Clinic Entrances (FACE) Act of 1994

Legislation sponsored by the late Sen. Ted Kennedy has been used to put pro-life advocates in prison for blocking abortion mills through a variety of methods such as lying down, chaining themselves, and saying the rosary; all with the intent of stopping that day's abortions and saving babies' lives. Everything they did was non-violent. This summer a number of pro-life folks have been sentenced to probation, and many to prison sentences ranging from six months to five years.

Our parish pro-life committee has written letters to the judge on behalf of a number of pro-life defendants. And recently, on behalf of the parish, we made a \$250 contribution for the defense of these folks to the Thomas More Society, a not-for-profit legal team that defends pro-life causes. That money came from you, the parishioners of St. John Neumann Parish. On behalf of those undergoing persecution for speaking out for the unborn of our nation, we thank you.

Additionally, we ask you to remember these people in your prayers. And pray especially the Bishop Sheen daily prayer, copies of which we have handed out and are available in the vestibule.

Interestingly, the FACE act also includes in its legislation:

"or intentionally damaging or destroying the property of a place of religious worship."

The question has to be asked: where were these dedicated agencies when our St. Raymond campus was undergoing a series of vandalism incidents just a short two years ago?
