In his 2009 Lenten Message,
Pope Benedict XVI wrote:

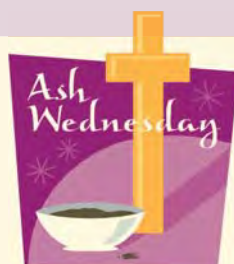

“...Fasting represents an im-

portant ascetical practice, a spiritual arm to
do battle against every possible disordered
attachment to ourselves. Freely chosen de-
tachment from the pleasure of food and other
material goods helps the disciple of Christ to
control the appetites of nature, weakened by
original sin, whose negative effects impact
the entire human person. Quite opportunely,
an ancient hymn of the Lenten liturgy ex-
horts: “Utamur ergo parcius, / verbis cibus et
potibus, / somno, iocis et arctius / perstemus
in custodia –Let us use sparingly words, food
and drink, sleep and amusements. May we be
more alert in the custody of our senses.”

“Dear brothers and sisters, it is good to see
how the ultimate goal of fasting is to help
each one of us, as the Servant of God Pope
John Paul II wrote, to make the complete gift
of self to God (cf. Encyclical Veritatis splen-
dor, 21). May every family and Christian
community use well this time of Lent, there-
fore, in order to cast aside all that distracts
the spirit and grow in whatever nourishes the
soul, moving it to love of God and neighbor.”

I wish you a good and fruitful Lent. God
bless you!

LENTEN FASTING AND ABSTINENCE

Ash Wednesday and Good Friday are obligatory days of fasting and abstinence

for Catholics. In addition, Fridays during Lent are obligatory days of abstinence.

For members of the Latin Catholic Church, the norms on fasting are obligatory from age 18 until age 59. **When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal.** The norms concerning abstinence from meat are binding upon members of the Latin Catholic Church from age 14 onwards.

If possible, the fast on Good Friday is continued until the Easter Vigil (on Holy Saturday night) as the "paschal fast" to honor the suffering and death of the Lord Jesus and to prepare ourselves to share more fully and to celebrate more readily his Resurrection.

Another Pro-Life Issue

One Man's Perspective

A few weeks back, Father Cesar spoke at all the Masses and asked for prayers for members of our Hispanic community here in our parish. He told us that they

are scared and afraid that they will be rounded up by ICE and sent back to the countries that they came from. Many of them are here illegally, not having obtained the proper visa. I have prayed every day for them since then and will continue to do so.

I don't think there are many that I have spoken with who are against building a wall and halting what has really been an open door policy. The immigrants in our country did not create this situation, they simply took advantage of it and, yes, many are illegally here for doing so. But I differentiate between those who did simply that, and those who came here to take advantage of the situation and commit other, more serious crimes. No one wants people who have committed more serious crimes to stay here. They should serve their justly administered sentences in prison, and then be shipped right back to where they came from. There is very little argument here. We need to be protected. However, data does not support a rise in crime rates due to the presence of immigrants in our country. In fact, studies show the opposite is true and that they are less likely to commit crimes than our own citizens.

Numbers from Homeland Security show approximately 11 million illegal immigrants in this country. They are from one end of this country to the other and many have located here in Cape May, and many of them attend St. Raymond Church. For me, I find they are a welcome addition. They have been faithful and fervent parishioners, and our Church looks better than it has at any point in my 35 years in the parish. The Christmas display they erected is by far the best I have ever seen in a Church, and please come to St. Raymond at 5am on December 12th and see a packed Church as our parishioners honor Our Lady of Guadalupe. They love their Faith.

The Hispanic folks I have met all work, take good care of their homes (many fixer-ups are now gorgeous) and, frankly, when eligible they fight for this country. See the Hispanic Marine Corps casualties during the Iraq and Afghanistan conflict to validate this claim. They were in the thickest of fighting. They want to be Americans, and I say welcome aboard. If I lived where they came from, with violence and poverty, and I had the prospect of making a better life for my family, I would have done the same thing and come here.

They do need your help, but they need you to think about them most of all. How do you feel about this? Pretending the roundups by ICE are not happening is not the answer. We are a Faith of compassion and now would be a great time to put our Faith into Action. Prayers for them is all too important but so would a phone call or email to our congressmen or senators. Tell them you would like to see a path to legal status for these folks - a long one which would require they stay "model citizens" to become real ones in 5 or 7 years.

I have been told that the kids in our CCD classes who are old enough to understand are petrified they are going to leave the only home they have

ever known. Most of them only speak English. Someone other than me is going to have to tell them they do not belong here. I will not be the innkeeper at Bethlehem. When I taught at St. Raymond, in my classroom there was a sign on the wall which read WWJD, which stood for "What Would Jesus Do?" Ask yourself that question as you see what is happening to your neighbors. And as we sang this weekend in Church: "They will know we are Christians by our love."

Spaghetti and Meatball Dinner

Hosted by our St. Vincent de Paul Society

Come join in the fun at the Spaghetti and Meatball dinner hosted by the Society of St. Vincent de Paul, conference of St. John Neumann. The dinner will be held on **Sunday, March 23rd** at St. John of God Parish Hall, from 3pm to 7pm. The price of a large meal is only \$20.00.

We hope to have all of our parishioners attending. We especially encourage our families to attend as we will have a "Face Painting" session for the children.

For the adults there will be a 50/50 drawing and basket raffles.

So, plan to join us for a great day of fine dining, friendship and getting to know one another.

Watch for flyers in the vestibules of both churches and for members of our St. Vincent de Paul Society selling tickets after all Masses.

THE HOLY NAME SOCIETY

The Holy Name Society in our parish is part of the National Holy Name Society organization and is open to Catholic men of all ages. The main obligations of each member is to promote reverence for the sacred names of God and Jesus. The essential obligation of a Holy Name member might be summed up in the first petition of the Our Father, "Hallowed be thy name." Our members are active in many of our parish ministries and, as an organization, we help support other ministries. The Chapter meets **the first Wednesday of the month at 2pm** in the large meeting room at St. John of God campus.

We also publicly proclaim our love for Jesus Christ by attending Mass and receiving Holy Communion as a group at the 10am Mass on the second Sunday of each month at St. John of God.

We hope to increase our numbers so, if any gentlemen are interested in joining or if you would like more information about the Holy Name Society, please contact Jerome Marshall at: m1968jerome@gmail.com

South Jersey Catholic Cemeteries Garden Permit Program

Spring is Just Around the Corner!

Spring is quickly approach-ing! It's that time of year when we begin to plan our gardens. Our Garden Per-mit Program, available for most raised headstones, of-fers you the ability to grow

a garden in front of your loved one's memorial, giv-ing it a more personal touch. Plus, the year-long pro-gram gives you a cemetery-compliant border and flexibility to individualize your love one's grave. We are happy to tell you that the permit fee will not in-crease this year and has not increased since the pro-gram was introduced in 2018! If you chose the Gar-den Permit Prime Program, the annual fee remains at \$50 and includes an upgraded landscape edging. The standard Garden Permit Program includes a black standard plastic landscape edging for a fee of \$35. Submit an application for either of these options. Please contact your cemetery by March 15th.

For a listing of cemetery locations including contact information visit <https://southjerseycatholiccemeteries.org/locations/>
